e-Blast Request Form: Licensure Focused Communication

POLICY

The designated information must be related to licensure developments that directly affect the CTRS professional and TR/RT Practice.

3. The email distribution sent via the NCTRC system will include the following statement from NCTRC:

4. The organization requesting the email distribution must be a recognized therapeutic recreation professional organization at the national, regional, provincial, state, or local level.
5. A final copy of the email message to be sent to CTRSs via the NCTRC system must be sent as part of the request process. The request form will not be processed unless all required attachments are received by NCTRC along with the signed Licensing Agreement.
